A	Significant-save	good fair poor bad
B	Quality-Indiv./groups-save	good fair poor bad
(C)	Important to street/groups	good fair poor bad
D	Insignificant/detrimental	good fair poor bad

Notable features:

A nice terrace of rather more elaborate two story and attic houses--see the door treatment and the lift from the street. These should be rehabilitated.

Environmental context:

Number 34 is vacant but there are no gaps; presents a nice continuity (except for formstone) and scale in contrast to the school across-street. Sizable street trees should be planted.
